Good evening!

Sharing the Rome agenda with everyone as events begin tomorrow. Please note that we will have printed copies for you tomorrow when we all connect prior to walking over to the meeting at the Embassy. It is possible that a few small changes may occur between now and then but please take this as a firm agenda for the next two days.

If any changes do occur, we will ensure you each receive an updated hard copy.

Additionally, the most important thing for which all of you need to be aware is the vehicle manifests ESPECIALLY as it relates to the Vatican. Those have been officially submitted and CAN NOT change. Also, there can NEVER be more than one person riding in the Administrator's car with him. We have set it to be Ryan at all times so please know that everyone else will be in the staff van.

Happy to answer any questions and look forward to seeing everyone tomorrow.

Millan
